Sir:

Attached is Form PTO-1449 listing U.S. patent documents and the enclosed non-U.S. patent documents. They are being submitted now in view of the Examiner's citation of U.S. Patent 7,074,402 in his first Office Action. Note that although inventorship of the PCT applications is identical, their ownership is not and only the Scripps Research Institute is an assignee of all three PCT applications.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully. In particular, if any of the listed documents are missing or incomplete, please contact the undersigned who will provide another copy. The Official fee is submitted herewith in lieu of certification.
